Something Bad

Julia Nunes

I want somethin bad
I want somethin badI want somethin bad
I want somethin badI wanna look at pictures of you
lookin happy
I wanna look at pictures of you
now you're not with me
I wanna look at pictures of us
because it hurts toI want somethin bad
I want somethin bad for meI want somethin bad
I want somethin bad for meI want somethin bad
I want somethin bad for meI want somethin bad
I want somethin bad for meI wanna kiss somebody else
without thinkin bout your lips
I wanna kiss somebody without
my heart about to rip
I wanna make so many mistakes
that you're the lowest on the list
I wanna make mistakes and I want you to hear about itI want somethin bad
I want somethin bad for meI want somethin bad
I want somethin bad for meI want somethin bad
I want somethin bad for meI want somethin bad
I want somethin bad for meAnd if you sit on your feet
don't be surprised when they fall asleep
painful and useless underneath
sound so familiar don't you see
don't you see
don't you see
don't you seeI'll cut my hands up
I'll cover my hands upI'll cut my hands up
I'll cover my hands upI'll cut my hands up
I'll cover my hands up (do you know what you do to me)I'll cut my hands up
I'll cover my hands up (do you know what you do to me)I want somethin bad
I want somethin bad for meI want somethin bad
I want somethin bad for meI want somethin bad
I want somethin bad for meI want somethin bad
I want somethin bad for me
