

# #1 in Heaven

MNDR

My ode to the bourgeoisie, say goodbye to decency  
It's the last of your sunny days  
In the hills high above the bay  
Oh, you better step away Number one in heaven with a bullet  
I'll come for you when I can  
Tell them I'm smiling  
Oh, won't you send my greetings Number one in heaven with a bullet  
Remember who I am, tell them I'm smiling  
Oh, won't you send my greetings  
Number one in heaven From the heart, signed in blood  
The first of many merry men before the flood, oh oh  
Where you gonna go as the pressure breaks  
To the hills, now, you can't get away, oh, I'll take you all with me  
Number one in heaven with a bullet  
I'll come for you when I can  
Tell them I'm smiling  
Oh, won't you send my greetings Number one in heaven with a bullet  
Remember who I am  
Tell them I'm smiling  
Oh, won't you send my greetings Put your hands above your head  
Close your eyes and count to ten  
I said, put your hands above your head right now  
I said, put your hands above your heads right now Tell them I'm smiling  
Oh, won't you send my greetings  
Number one in heaven with a bullet  
Remember who I am  
Tell them I'm smiling  
Oh, won't you send my greetings  
Tell them I'm smiling  
Oh, won't you send my greetings I'm number one in heaven  
Oh, send my greetings
