

Paradise Of Sin (Luc Van Acker Remix)

Die Krupps

In-a-gadda-da-vida baby
God is dead he lost the battle
The devil rules over life and death
Feel his power, feel his wrath Hell - this is the paradise of sin
Fail - and you will suffer in pain
Nail - that son of disaster
Sell - your soul to the master In the garden of evil, baby
The bible's title is helter skelter
Take a ride on this rollercoaster
Live for sin and die faster Wake - your evil twin
Live - your wildest dream
Let - the demons in
Let - the madness begin
