Dream About Me

Isabela Moner

Sugar and spice, and everything nice
Was what I thought I'd need
Now I'm changing my mind
And I'm starting to find
How it's supposed to beI don't understand
Oh, why can't you see
That when you're dreaming
You're supposed to dream about meDream about me
Yeah yeah eh eh, ehYou've got a sweetheart
When you look into her eyes, yeah
You're making a big mistake
Now it's time to realizeI don't understand
Why can't you see
That when you're dreaming
You're supposed to dream about meDream about me
Yeah yeah eh eh, ehI'm not conceited
I just wanna help you see, yeah
Love can be confusing
But not when it's with me, whooNow I understand
And now I can see
That when you're dreaming
You dream about meDream about me
Yeah yeah eh eh, ehYeah, you dream about meYeah, you dream about meNow you dream about me
