You Showed Me

The Lightning Seeds

You showed me how to do
Exactly what you do
How I fell in love with you
Oh, its true
Oh I love you

You showed me how to say
Exactly what you say
In that special way
Oh its true
You fell for me too

And when I tried it, I could see you fall
And I decided its not a trip at all

You taught it to me too
Exactly what you do
And now you love me too
Oh its true
We're in love, we two

You showed me how you do
Exactly what you do
How I feel in love with you

You showed me how to say
Exactly what you say
In that special way

You taught it to me too
Exactly what you do
And now you love me too
