

For You for Me for Evermore

Ella Fitzgerald

Paradise can not refuse us
Never such a happy pairEverybody must excuse us
If we walk on airAll the shadows now will lose us
Lucky stars are everywhereAs a happy being
Here's what I'm foreseeingFor you, for me, forever more
It's bound to be forever moreIt's plain to see
We found, by finding each other
The love we waited forI'm yours, you're mine
And in our hearts
The happy ending startsWhat a lovely world
This world will be
With a world of love in store
For you, for me, forever moreWhat a lovely world
This world will be
With a world of love in store
For you, for me, forever more
