

Submission (feat. Danny Brown & Kelela)

Gorillaz

Don't try to hide away
You know you've been on
Though I'm keepin' come, I'm not on
Go away my love
Thought I could change our fate
I tried again, but there's delay
It's more than I can take And it got to me
When you state your love
And you walk away
What could you be on?
Now you're not around
But I hope you see
I will be full-on
If it's up to me
That's all I got-Feels so good doin' me
If you take a look at the time you took and move on
But don't go too far, my love
We could try harder, baby
There's gotta be a better way
So much that we could make it And you got to me
When you state your love
But you run away
What could you be on?
Now you're not around
But I hope you see
Gotta be full-on
It is up to me
That's all I got That's all I got (that's all I got, that's all I got) Wish I could think of better ways
'Cause I lost my patience yesterday
If you could see inside of me
There'd be no heart on my X-ray
Opponents tryna checkmate
But I don't see no escape
Just tryna keep my head straight
On thin ice with the ice skates
At times I feel like giving up
'Cause it feels like I've had enough
Felt like my soul in handcuffs
Got questions with no answers

Can't help me out, I need a friend
I'm losing faith in this world of sin
Tryna make ends meet with a week, no sleep
It's like a cycle that never ends
I can't pretend with no handling
I can't take care of no grown man
All by myself, crying out for help
But won't get saved by no Superman
All comes down to the mighty dollar
Greed and lust, abusing power
Clock is ticking, hour after hour
Maybe when I throw my hands, I'll holla(And it got to me)
When you state your love
But you run away
What could you be on?
Now you're not around
But I hope you see
Gotta be full-on
It is up to me
