

# Come a Little Closer

[Dierks Bentley](#)

Come a little closer baby  
I feel like layin' you down  
On a bed of sweet surrender  
Where we can work it all out There ain't nothin' that love can't fix  
Girl it's right here at our fingertips  
So come a little closer baby  
I feel like layin' you down Come a little closer baby  
I feel like lettin' go  
Of everything that stands between us  
And the love we used to know I wanna touch you like a cleansin' rain  
And let it wash all the hurt away  
So come a little closer baby  
I feel like lettin' go If there's still a chance then take my hand  
And we'll steal away  
Off into the night, until we make things right  
The sun's gonna rise, on a better day Come a little closer baby  
I feel like strippin' it down  
Back to the basics of you and me  
And what makes the world go round Every inch of you against my skin  
I wanna be stronger than we've ever been  
So come a little closer baby  
I feel like strippin' it down Come a little closer baby  
Just a little bit closer baby  
Come a little closer baby  
I feel like layin' you down
