

When You Look at Me

Christina Milian

you're probably thinkin that i want those things
Cash, Cards, Diamond rings,
Thinkin on my side that the grass is green,
You don't know were I have been.
I could be a wolf in disguise,
I could be an angel in your eyes,
Never judge a book by it's cover.I could be your crook or your lover
I could be the one or the other
If you'd look beneath you'd discover,
You just don't know me.Tell me what do you thik you see,
Your standing in your corner looking up on me,
You think i'm so predictable
Tell me who do you think i am
Looks can be deceiving
But i guess, again
Tell me what you see, When you look at me.Do do do do do do do oooo
Do do do do do do do ooooI could be a crook or your lover
I could be the one or the other
If you'd look beneath you'd discover
You just don't know me!Tell me who do you think you see
You're standing in your corner looking out on me
You think I'm so predictable
Tell me who do you think I am
Looks can be deceiving
But I guess, again
Tell me what you see
When you look at me.
