Meditation (MeditaÃ§Ã£o)

Wanda SÃ¢

In my loneliness when you're gone and I'm all by myself
An' I need your caress, I just think of you
And the thought of you holding me near
Makes my loneliness soon disappear

Though you're far away
I have only to close my eyes and you are back to stay
I just close my eyes and the sadness missing you brings
Soon is going and this heart of mine sings
Yes, I love you so and that for me is all I need to know

I will wait for you 'til the sun falls out of the sky
For what else can I do?
I will wait for you meditating how sweet life will be
When you come back to me

I will wait for you, meditating how sweet life will be
When you come back to me
Became these quiet nights of loving you

I will wait for you 'til the sun falls out of the sky
For what else can I do?
I will wait for you meditating how sweet life will be
When you come back to me
Come back to me
