

Surrender

Debbie Harry

Surrender my love to you?
Oh no, I won't surrender
Surrender my love to you?
Oh no, I won't Before I surrender my love to you
I'd rather lie down in the street
And get hit by a big Mack truck Surrender my love to you?
I'd rather sleep in a lion's den
Maybe then I'll have better luck I get so mad
Thinking of the chance you had
You had my love
But you didn't want it then So now
Before I give you my love
I'll need a better excuse
To take that abuse again Surrender my love to you?
Oh no, I won't surrender
Surrender my love to you?
Oh no, I won't Before I surrender my love to you
I'd rather jump into the sea
And be eaten by a big fat shark Surrender my love to you?
Like a hunter you never miss your mark
I think this time you are gonna find
You want my love, you'll have to take it So now, come on
And shoot your best shot
Come on, give me all you got Surrender my love to you?
Oh no, I won't surrender
Surrender my love to you?
Oh no, I won't
