

I Ain't Trippin'

Frankie J

I ain't trippin', oh yeah First day at work, girl, I met you
You laid your pretty eyes on me
Right then, I knew it be somethin'
I didn't know what it could be So I asked if you had a man
And you showed me the ring on your hand
The look on your face when I asked for your name
Your expression said it all to me, yeah I can't deny, you stayed on my mind
Too bad I got a girl and you can't be mine
But damn, you're so fine
I think it's worth a try, so girl, let's just get down I won't tell, if you won't tell
I'm tryin' to keep it on the low
'Cause if he finds out and she finds out
You know it's gonna end for sure
(It's gonna end for sure, baby) Even though you got a man
And even though I got a girl
It is what it's gonna be
(I ain't trippin')
I like the way it's goin' down Even though you got a man
And even though I got a girl
It is what it's gonna be
(I ain't trippin')
I like the way it's goin' down When we went out on our first date
I remember it was Thursday, yeah
It was the day before we got paid
And I can't front, I didn't know what to say It was supposed to be business, that's what we both said
We had some drinks, ended up in a hotel bed
I really hope this doesn't get around
So keep it on the low and we can keep on gettin' down I won't tell, if you won't tell
I'm tryin' to keep it on the low
'Cause if he finds out and she finds out
You know it's gonna end for sure
(It's gonna end for sure) Even though you got a man
And even though I got a girl
It is what it's gonna be
(I ain't trippin')
I like the way it's goin' down Even though you got a man
And even though I got a girl
It is what it's gonna be
(I ain't trippin')

I like the way it's goin' down Now I know we crossed the line when we got down girl
But how could somethin' wrong feel oh so right?
We both got down, so don't say nothin'
You know I'll be around to do a lil' somethin'
Me and you, you and me gettin' down, gettin' down Even though you got a man
And even though I got a girl
It is what it's gonna be
(I ain't trippin')
I like the way it's goin' down Even though you got a man
And even though I got a girl
It is what it's gonna be
(I ain't trippin')
I like the way it's goin' down Even though you got a man
And even though I got a girl
It is what it's gonna be
(I ain't trippin')
I like the way it's goin' down Even though you got a man
And even though I got a girl
It is what it's gonna be
(I ain't trippin')
I like the way it's goin' down I ain't trippin', no no no
