Still A Thrill

Jody Watley

You know it's funny, funny how time flies
As I watch days turn into years
You never know if it will last forever
You can only try to keep it new, whoaLate around midnight
When you're holding me near
It feels so good to me
Feel like crying those tearsIt's still a thrill, when you hold me
It's still a thrill, when you're loving me
Thrill, it's still a thrillYour passion, your passion moves me
Like the ocean it runs so deep
I'm walking in this mile for you
Just to get the things you doIt feels like the first time
When we met
Your charms still overwhelms me
Tell me, how can it be? When we make loveIt's still a thrill, when you hold me
It's still a thrill, when you're loving me
Thrill, it's still a thrill, thrill
Thrill, it's still a thrill, thrillI've gone home now
Where are my keys?
