

Incomplete

Backstreet Boys

Empty spaces fill me up with holes
Distant faces with no place left to go
Without you within me, I can find no rest
Where I'm goin' is anybody's guess I tried to go on like I never knew you
I'm awake but my world is half asleep
I pray for this heart to be unbroken
But without you, all I'm going to be is incomplete Voices tell me I should carry on
But I am swimming in an ocean all alone
Baby, my baby, it's written on your face
You still wonder if we made a big mistake I tried to go on like I never knew you
I'm awake but my world is half asleep
I pray for this heart to be unbroken
But without you, all I'm going to be is incomplete I don't mean to drag it on
But I can't seem to let you go
I don't want to make you face this world alone
I want to let you go
(Alone) I tried to go on like I never knew you
I'm awake but my world is half asleep
I pray for this heart to be unbroken
But without you, all I'm going to be is incomplete
