## **Incomplete**

## **Backstreet Boys**

Empty spaces fill me up with holes Distant faces with no place left to go Without you within me, I can find no rest Where I'm goin' is anybody's guessI tried to go on like I never knew you I'm awake but my world is half asleep I pray for this heart to be unbroken But without you, all I'm going to be is incompleteVoices tell me I should carry on But I am swimming in an ocean all alone Baby, my baby, it's written on your face You still wonder if we made a big mistakeI tried to go on like I never knew you I'm awake but my world is half asleep I pray for this heart to be unbroken But without you, all I'm going to be is incompleteI don't mean to drag it on But I can't seem to let you go I don't want to make you face this world alone I want to let you go (Alone)I tried to go on like I never knew you I'm awake but my world is half asleep I pray for this heart to be unbroken But without you, all I'm going to be is incomplete Incomplete
