Right On Time

Tosh Alexander

I'm just lost in mid air
And I keep floatin higher and higher and higher .. Yea
I don't wanna come down
Can I stay here forever and ever and ever ... YeaStuck to you
And , happy like , a kid again
No more tears , no grey clouds , just cloud 9 , with you and I
Won't let go and will give in
Cause I've been
Resurrected by love ..U came and mend my broken heart
(Right on time)
You dust me off and made me shine
(Right on time)
This love we share came in my life
(Right on time)
Oohh baby , you're (right on time) rep 2xGive and take , reciprocate
(That's how we love)
I can just be myself , no pretend
(And that's enough)
Won't let go and will give in ..
Cause I been
Resurrected by loveU came and mend my broken heart
(Right on time)
You dust me off and made me shine
(Right on time)
This love we share came in my life
(Right on time)
Oohh baby , you're (right on time) rep 2xBridge :
Your love it coats me
Wraps me around , it just holds me
Took me with all this pain I felt
Bitterness ,
Feeling less ,
You came an changed my story
Love me unconditionally,
And picked up the pieces with my heart one by one and ,
Made it yoursU came and mend my broken heart
(Right on time)
You dust me off and made me shine
(Right on time)

This love we share came in my life
(Right on time)
Oohh baby , you're (right on time) rep 2x
