Drunk In The Club

Kingspade

Yayyyuhh, we getting crunked up in here!
Haha, oh it's one of them tracks huh?
Yo we about to get fucked up!If you always fucked up straight drunk in the club
Put your hands up like what (what what!)
If you're always fucked up straight drunk in the club
Then come and take a shot with us (us us!)
If you're always fucked up straight drunk in the club
Put your middle fingers up (up, up!)
Cause we always fucked up straight drunk in the club
DGAF don't give a fuck (fuck!)I'm always gettin' fucked up tore back, till I black out
A party ain't a party till somebody bust the jack out
I'm mixing polly with bacardi rippin' shots till I pass out
I'm flippin' 3 bitches, get some head and kick their asses out
Yo, fucked up in the club smokin' on bud
Gettin' drunk off the jack ya'll fools know wassup
D-Loc and J Rich breakin' out tools
Gettin' loose off the juice always actin' a fool
You know I get so faded to where I can barely function
Drinkin' all the free booze at the charity function
Cause an open bar to me is like cheese to a mouse
I get as much while I can and then I get the FUCK out!
Well I, get down when I'm drunk and stoned
And I, put it down on this microphone
So I, stay bent drinkin' beers smokin' bud
D-Loc and Johnny Richter on a mission GETTIN' FUCKED UP!If you always fucked up straight drunk in the club
Put your hands up like what (what what!)
If you're always fucked up straight drunk in the club
Then come and take a shot with us (us us!)
If you're always fucked up straight drunk in the club
Put your middle fingers up (up, up!)
Cause we always fucked up straight drunk in the club
DGAF don't give a fuck (fuck!)Now I've been known to close the bar down
And when you hear last call better order more rounds
We're gettin' ready to pound we gotta bounce out quick
Cause when the clock strikes deuce bars closed, that's it
And when you bounce the spot you better be buzzed
Cause the party don't start until it gets a little fuzzed
And uh, After hours it ain't nothin' but nice

You got bitches suckin' dick and drunks startin' to fight
And I just want to make it back to the spot
Without a run in with the law cause I fuckin' hate cops
Plus I'm on probation facin a violation
For all this weed I'm blazin' shit's real I'm not playin'
I ain't playin' either I'm from Southern California
Growin' up in the west coast nickname D-Loc
Holler at your boy I be up in the club
Drunk as a motha' fucka' with a bitch throwin' it upIf you always fucked up straight drunk in the club
Put your hands up like what (what what!)
If you're always fucked up straight drunk in the club
Then come and take a shot with us (us us!)
If you're always fucked up straight drunk in the club
Put your middle fingers up (up, up!)
Cause we always fucked up straight drunk in the club

Put your middle fingers up (up, up!)
Cause we always fucked up straight drunk in the club
DGAF don't give a fuck (fuck!)
