

Too Long

Lil' Romeo

Yo Diezel, yeah, this one right here
This for everybody that believed in me
I mean my fans, my peeps
Yeah, that's right It can't be I stayed away too long
(Lil' Romeo)

Did I leave your mind when I was gone?
(Did I, really did I?) It's not my thing trying to get back
(I'm done working, now I gotta get back)

This time let me tell you where I'm at
(I'm right here ya'll) This is to all my fans that bought my CD
I love ya'll, without ya'll I couldn't be me
You keep a smile on my face, every time I'm away
This is for the kids from state to state
I wanna thank ya'll for just standing in line
Giving me a chance, thanks for helping me shine
I love music but I really do it for ya'll

It's a wonderful feeling when I walk through the mall Love is all I need because of that I succeed
Hearing kids screaming, it's a wonderful thing
Every night I thank God and go to sleep with a prayer
Every time I hear my name, I know that you care
It makes me happy knowing I touch your heart
I got ya'll 'coz ya'll was there from the start
So if you're ever at home alone and scared
Just put in the CD and I'll be there okay It can't be I stayed away too long
(Lil' Romeo)

Did I leave your mind when I was gone?
(Did I, really did I?) It's not my thing trying to get back
(I'm done working, now I gotta get back)

This time let me tell you where I'm at
(I'm right here ya'll) It can't be I stayed away too long
(Lil' Romeo)

Did I leave your mind when I was gone?
(Did I, really did I?) It's not my thing trying to get back
(I'm done working, now I gotta get back)

This time let me tell you where I'm at
(I'm right here ya'll) To my brother, sisters, cousins and all
You were there from day one, you been through it all
We're family, your my next of kin
You taught me play hard, try my best to win

Never sell myself short even off the court
Especially my parents, ya'll showed me the road, so kept it real
Taught me my rights and wrongs
This is how I feel, this is more than a song
To my uncles and aunties, I love ya'll too
You always taught me no matter what tell the truth
Together we stand, separated we fall
If there's anything you need just give me a call
I'll be there in a flash if you need me just ask
Rest in peace to everybody in the world that passed
When times are hard and you breaking in tears
Just look on your side 'coz I'll be right there, okay
It can't be I stayed away too long
(Lil' Romeo)

Did I leave your mind when I was gone?
(Did I, really did I?) It's not my thing trying to get back
(I'm done working, now I gotta get back)
This time let me tell you where I'm at
(I'm right here ya'll) It can't be I stayed away too long
(Lil' Romeo)

Did I leave your mind when I was gone?
(Did I, really did I?) It's not my thing trying to get back
(I'm done working, now I gotta get back)
This time let me tell you where I'm at
(I'm right here ya'll) Couldn't live without radios and MTV, Nickelodeon can't forget B E T
All the record stores, everybody on tour
All the magazines, I keep it hot for ya'll
To my number 1 fans, my picture man
To my dancers helping me do my dance
To my basketball coach and my basketball team
One love for helping me fulfill my dream
To my teachers in school, to my friends in class
To all of the good times as well as the bad
To all of the people I ain't seen in years
Keep your head up, remember I'll be right there
I been around the world
Done so much in a year
Come to find out, that so much of you care
That's why I picked this track ya'll put me right where I'm at
I love ya'll, it feel good to be back, okay
It can't be I stayed away too long
(Lil' Romeo)

Did I leave your mind when I was gone?
(Did I, really did I?) It's not my thing trying to get back
(I'm done working, now I gotta get back)
This time let me tell you where I'm at
(I'm right here ya'll) It can't be I stayed away too long
(Lil' Romeo)

Did I leave your mind when I was gone?

(Did I, really did I?)It's not my thing trying to get back
(I'm done working, now I gotta get back)
This time let me tell you where I'm at
(I'm right here ya'll)
