Apocalypse Please

Muse

Declare this an emergency
Come on and spread a sense of urgency
And pull us through and pull us through
And this is the end, yeah, this is the end of the worldAnd it's time we saw a miracle
Come on, it's time for something biblical
And to pull us through and pull us through
And this is the end, and this is the end of the worldDon't proclaim eternal victory
Come on and change the course of history
And pull us through and pull us through
And this is the end, yeah, this is the end of the world
