

Hidden Heart

[Marit Larsen](#)

In a book, in a drawer
Underneath the wooden floor
Far away or close to hold
In company or alone
Did the beat inside your chest
Leave to play outside the nest?
Did you wake to find it gone?
In company or alone
Hidden heart
Hidden heart
Where do you seek a hidden heart?
Hidden heart
Hidden heart
Where do you keep a heart?
Out your body through the air
Yeah you chase it everywhere
Out of reach, out of sight
Who knows where it went to hide
Weren't you one the kind of friend
So much love and time to spend
Did you think you'd find yourself
Following something else
Hidden heart
Hidden heart
Where do you seek a hidden heart?
Hidden heart
Hidden heart
Where do you keep a heart?
Hidden heart
Hidden heart
Where do you seek a hidden heart?
Hidden heart
Hidden heart
Where do you keep a heart?
Hidden heart
Hidden heart
Where do you seek a hidden heart?
Hidden heart
Hidden heart
Where do you keep a heart?
