

# Exorcism

## Eyeris (Creep-P)

I had found you  
I had left you  
I forgave you  
I forgot you

You possessed me  
You controlled me  
Said you loved me  
Said you'd kill me

He's speaking  
Speaking for me  
I'm a worthless human being

He's still speaking  
Speaking for me  
Keep you're voice down  
Or he'll hurt me

Exorcists can't save me now  
That I'm fine :)  
Please let me die, to be found  
He speaks for me  
Nerves that I grind

Speaking louder in my own voice  
Blocked by the voice of a demon inside  
I act coy and I play nice  
Only to die on the inside

I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM

It happened once

It happened twice  
It won't happen again  
I won't play nice

You spoke for me  
You spoke for them  
This is number three  
Go back to the damned

He's speaking  
speaking for me  
I'm a worthless human being

He's still speaking  
Speaking for me  
Keep your voice down  
Or he'll hurt me

Exorcists can't save me now  
I swear to you that I'm fine :)  
Please let me die, to be found  
He speaks for me  
nerves that I grind

Speaking louder in my own voice  
Blocked by the voice of a demon inside  
I act coy and I play nice  
Only to die on the inside

I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM  
I NEED AN EXORCISM

BULLSHIT LIAR  
BULLSHIT LIAR  
BULLSHIT LIAR  
BULLSHIT LIAR

Everything you told me were lies  
You left me here to fucking die

BULLSHIT LIAR  
BULLSHIT LIAR  
BULLSHIT LIAR  
BULLSHIT LIAR

Exorcise me  
Get the demons out of me

I NEED AN EXORCISM

Exorcists can't save me now  
I swear to you that I'm fine  
Please let me die, to be found  
He speaks for me  
Nerves that I grind

Speaking louder in my own voice  
Blocked by the voice of a demon inside  
I act coy and I play nice  
Only to die on the inside

Exorcists can't save me now  
I swear to you that I'm fine  
Please let me die, to be found  
He speaks for me  
Nerves that I grind

Speaking louder in my own voice  
Blocked by the voice of a demon inside  
I act coy and I play nice  
Only to die on the inside
