She Moves Me

Brian Melo

If I could write a book like Hemingway
Paint a masterpiece or two
Maybe if I could man a rocket ship
And fly to the moonIf I could write the perfect symphony
Find a cure for some disease
Only then I'd have something to compare
The way it feels
The way I feel[Chorus]
I thought that I'd seen it all
Guess I was wrong, so wrong
I thought that I'd seen it all
Guess I was wrong, so wrong
'Cause nothing can move me like youIf I'd written Romeo and Juliet
Had my own star in Hollywood
If I could paint the world one color
I know I've been moved
I know I feelThe way I feel[Chorus]At the speed of light, she comes in
Takes me to places I've never been
She shows me the way to heaven
She moves me
She moves me[Chorus: x2]If I'd written Romeo and Juliet
Had my own star in Hollywood
