

# I'll Keep You in Mind (feat. Robbie Firmin)

## The Geoff Everett Band

### Verse 1

I Know That you think your face should light up my life,  
And your disapproving words gonna cut me just like a knife  
Well, You strut right past me with your nose up in the air  
But Here's some news baby, gotta gotta tell you  
I don't care!

### Chorus

(I'll Keep You In Mind) yeah I'll Keep you in mind  
(I'll Keep You In Mind) yeah I'll Keep you in mind  
(I'll Keep You In Mind) yeah I'll Keep you in mind  
(I'll Keep You In Mind) yeah I'll Keep you in mind

### Verse 2

You cant stop talkin' bout the boys that follow you 'round  
And you're giving me the chance to be another of your loving clowns  
You think I'm glad cause you're letting me close to you  
And you cant understand why i don't wanna que  
I've Gotta tell the truth now

(Instrumental Break)

### Verse 3

Don't start thinking that you've trapped me right into your heart  
And my Soul has surrendered cause i'll Tell you right from the start  
It's never gonna happen baby

### Chorus

(I'll Keep You In Mind) yeah I'll Keep you in mind  
(I'll Keep You In Mind) yeah I'll Keep you in mind  
(I'll Keep You In Mind) yeah I'll Keep you in mind  
(I'll Keep You In Mind) yeah I'll Keep you in mind

### Bridge

Don't start talking about you and me  
I gotta tell you baby that it just ain't gonna be  
You think you've got me tied up in a nice and easy bundle but you got it all wrong  
And I've Really got you Rumbled

### Chorus

(I'll Keep You In Mind) yeah I'll Keep you in mind  
(I'll Keep You In Mind) yeah I'll Keep you in mind  
(I'll Keep You In Mind) yeah I'll Keep you in mind
