

Painted Red

The Switchblade Valentines

You're red, you're so resistant
You're so intense, you're red
I'm slowly lifted, you're painted red I'm down in, I'm down in, I'm down inside
I'm down in, I'm down in, I'm down inside
I'll come in, I'll come in, I'll come inside
Swallow my kiss, when I save you You're red and I'm inside your innocence
You're painted red now
I'm inside
