

Aimless Lady

Grand Funk Railroad

Aimless lady, is this your home town?
Tell me baby, tell me where you're bound
When our eyes met, you were in the very first row
I couldn't even guess your name but I just had to know
You were meant for me
Would you grab your coat and flee?
You were a mystery
But you just had to be
An aimless lady, aimless lady, aimless lady
Should I try and satisfy you, lady?
Ain't no lie, now we'll get by, my baby
If you can stand a real good man, now lady
Take my hand and understand me, baby
Take your time, you're doing fine, now lady
You got yours and I got mine, now baby
Can you see, the way to be, now lady?
Stay with me and set me free, now baby
Aimless lady, aimless lady, aimless lady
You're my aimless lady, yeah
aimless lady
You're my aimless lady, my aimless lady
