

# U Tryin' To Ride

## Public Announcement

Uh, you know what?  
It's about that time  
That I discuss this issue with you baby  
We've been putting it off too long  
We don't need to be going through this, heh  
Don't wanna fight no more  
Baby I love you  
Yeah you were right  
I need to be more responsible  
All of my time I do  
Spend thinking about you  
I guess my actions don't to you  
Speak louder than my words do  
1 - If I'm not cryin, I'm dyin inside  
Thinking, how you made me feel the other night  
Baby how can I be down and by your side  
When you tryin to ride, you tryin to ride  
Repeat 1

You get up outta this bed  
And don't tell me what's on your mind  
All I saw was  
You sittin their, cryin  
It hurt so bad sad, sad, tried to do all I can  
I'm not gonna play the woman  
And I'll be dam if I let you play the man  
Repeat 1 (2x)  
Tryin to be the man for you  
Now look at what ya putting me thru  
Gave you everything I had  
Now you wanna give it back to me  
Gave you something from my heart  
Now you tryin to tear it all apart  
Tell me if this love is true  
So I can be the man for you, hey  
Repeat 1 till end
