

Pish

The Brian Jonestown Massacre

You know my soul
I pay no mind
No mind at all I'm on a high
Don't bring me down
Don't want to fall I'm way up here
Seeing you down there
Where you're not free
I move with time
Leave you behind
Where you can see You are unknown
And all alone
Nobody near I speak in vain
I scream my name
You disappear
I know myself
I feel no shame
No shame at all I have to slip
Can't say goodbye
Don't want to fall
