

Ever After

[Clay Shelburn](#)

Ever After The touch of your warm
Good morning kiss on my face
Brings an I love you smile
That makes life worth while the days And the way your body fits perfect
In my strong embrace
Tells my heart and my soul
That you love me in so many ways Thank you for taking the time
To learn who I am
And for saving the soul of
A hopelessly heartbroken man
You've broken down my walls
And it feels so good to fall
Happily ever after in love with you
