Beside You

5 Seconds of Summer

Within a minute I was all packed up
I've got a ticket to another world
I don't wanna go
I don't wanna go
The silent words are hard to speak
When your thoughts are all I see
"Don't ever leave," she said to meWhen we both fall asleep underneath the same sky
To the beat of our hearts at the same time
So close but so far away
(Can you hear me?)She sleeps alone
My heart wants to come home
I wish I was, I wish I was beside you
She lies awake
I'm trying to find the words to say
I wish I was, I wish I was beside youAnother day and I'm somewhere new
I made a promise that I'll come home soon
Bring me back, bring me back to youWhen we both wake up underneath the same sun
Time stops, I wish that I could rewind
So close but so far awayShe sleeps alone
My heart wants to come home
I wish I was, I wish I was beside you
She lies awake
I'm trying to find the words to say
I wish I was, I wish I was beside youThere are pieces of us both
Under every city light
And they're shining as we fade into the nightShe sleeps alone
My heart wants to come home
I wish I was, I wish I wasShe sleeps alone
My heart wants to come home
I wish I was, I wish I was beside you
She lies awake
I'm trying to find the words to say
I wish I was, I wish I was beside youShe lies awake
Beside you
I wish I was, I wish I wasShe sleeps alone
My heart wants to come home
I wish I was, I wish I was
