

# Beside You

## 5 Seconds of Summer

Within a minute I was all packed up  
I've got a ticket to another world  
I don't wanna go  
I don't wanna go  
The silent words are hard to speak  
When your thoughts are all I see  
"Don't ever leave," she said to meWhen we both fall asleep underneath the same sky  
To the beat of our hearts at the same time  
So close but so far away  
(Can you hear me?)She sleeps alone  
My heart wants to come home  
I wish I was, I wish I was beside you  
She lies awake  
I'm trying to find the words to say  
I wish I was, I wish I was beside youAnother day and I'm somewhere new  
I made a promise that I'll come home soon  
Bring me back, bring me back to youWhen we both wake up underneath the same sun  
Time stops, I wish that I could rewind  
So close but so far awayShe sleeps alone  
My heart wants to come home  
I wish I was, I wish I was beside you  
She lies awake  
I'm trying to find the words to say  
I wish I was, I wish I was beside youThere are pieces of us both  
Under every city light  
And they're shining as we fade into the nightShe sleeps alone  
My heart wants to come home  
I wish I was, I wish I wasShe sleeps alone  
My heart wants to come home  
I wish I was, I wish I was beside you  
She lies awake  
I'm trying to find the words to say  
I wish I was, I wish I was beside youShe lies awake  
Beside you  
I wish I was, I wish I wasShe sleeps alone  
My heart wants to come home  
I wish I was, I wish I was
