

# Deeper Than Beauty

Sloan

I suppose, I've seen you three times now  
And I guess that I'm wondering how  
You keep the boys at bay  
I have a feeling that they are wondering too I've seen you with your hair down  
At least five times and always wondered  
What makes a man commit crimes?  
But even I would sometimes if it weren't for the likes of you And your glasses, your hideous glasses  
When you remove them I would rather skip my classes  
And be caught than to entertain the thought  
That someday you'll just put them on again  
But I can make the best of it until then Still I know you go deeper than your beauty  
You go well above and beyond the call of duty  
To your country and your school  
But I grew up too cool I'm like the rest of them with our thumbs up our asses  
If you call I will come but I'm about as quick as molasses  
When I dream of you you're not wearing your glasses La la la  
La la la  
La la la
