

Give Me Peace on Earth

Modern Talking

Love is easy, hate is wrong
Find a way, babe, way back home
Give your heart, love never die
Oh, a little cloud will cry Be a dreamer, be a fool
Come we're breakin' all these rules
Better late than never done
For the children we need a home Give me peace on earth
Give me all your love
Say that we want fightin'
For the peace of all Give me peace on earth
Give me all your love
For the little children
For the peace of all Come together turn a dream
For the children, love's all we need
Oh, the wrongs don't make it right
For the children we will fight Give me peace on earth
Give me all your love
Say that we want fightin'
For the peace of all Give me peace on earth
Give me, give me all your love
For, for the little children
For the peace of all Give me peace on earth
Give, give me all your love
Say that we want fightin'
For the peace of all
For the peace of all
