

Mr. Fisher

Marcy Playground

Mr. Fisher Magic Monkey Wrenches
Plumbing Service
Open in the trenches
All the la-de day long
With a la-de-da-de day song
And his girl, Sally Pickwit
Fancied chemistry and
Made some liquid
For her radiator
Now she was on the tele
With a heater full of jelly
mmmThat was not why she called him today
She was missin him so
That was not what she called him to say
She was rarin to goShe said arry can you hear the rotor callin?•Why dont we climb into the old
jalopy?
Ride on down to Abalon
With a picnic basket like old times and have a beer
Like old times and have a beer
Wel disappear into the sunsetAnd Mr. Fisher Magic Monkey Wrenches
Plumbing Service
Closed on holiday and
Somewhere there a gasket
Stuck inside a picnic basket
mmm
