

Gimme All Your Lovin' or I Will Kill You

Macy Gray

He drives a G-Wagon
An' he looks just like my dream
I been climbin' all his mountains
I been swimming all his seas No matter what or how I tried
I couldn't get the man to fall in love with me
Turns out he likes the girls with long an' wavy hair
Mine is short and kinky An' I have lost my mind C'mon an'
Gimme all your lovin'
Or I will kill you
Put one through your head
Come on an'
Gimme all your lovin'
Or I will kill you
Cry when you're dead His whole body was shaking
And he holla'd when he fell to his knees
I held tighter to my A.K., hey
He said, "Please, please, whatever you need" See, I have searched the wide world
To find the peace for the war in me
Don't wanna look no further
But you refuse to give it to me Ah, I have lost my mind C'mon an'
Gimme all your lovin'
Or I will kill you
Put one through your head
Gimme all your lovin'
Or I will kill you
Cry when you're dead It's amazing what a gun to the head can do
My baby loves me now as hard as he can
My methods may be suspect
But you gotta get love, however you can Aah, I have lost my mind C'mon an'
Gimme all your lovin'
Or I will kill you
Put one through your head
Gimme all your lovin'
Or I will kill you
Cry when you're dead Or I will kill you
Cry when you're dead
