Kiss & F**k (Interlude)

Marsha Ambrosius

I think I'm in love
Just tell me I am, yeah
One taste of your lips, and I can't pretend
You got me so gone
You're making me wet
I'm one step away from letting you in
Listen, I know we just met but I feel like
I feel like it's been a long, long time
And I'm curious to see what I've, on my mindJust to past the time...We kiss and we f*ck
And it was everything
You're all that I want
I put that on everything
Just give me your love
Baby just give me your love
