

# Lifting Me

## The Corrs

Lifting me, don't know how  
You do it but it's lifting me  
Another day, another way  
He finds a point to pressure me A silly girl with silly ways  
I hear this, I'm pitiful  
I'll be that girl, can you give me  
The strength to be free? Lifting me, don't know how  
You do it but it's lifting me  
Keep lifting me, I don't know how  
You do it but it's lifting me, yeah Another night, another fight  
He finds a point to criticize  
A frilly dress and frilly ways  
I hear this, so pitiful I'll be that girl, can you give me  
The strength to be free?  
Lifting me, don't know how  
You do it but it's lifting me Keep lifting me, I don't know how  
You do it but it's lifting me, yeah  
Lifting me, don't know how  
You do it but it's lifting me Keep lifting me, I don't know how  
You do it but it's lifting me yeah  
I'll be that girl, can you give me  
The strength to be free? Lifting me, don't know how  
You do it but it's lifting me  
Keep lifting me, I don't know how  
You do it but it's lifting me You're lifting me, don't know how  
You do it but it's lifting me  
Keep lifting me, I don't know how  
You do it but it's lifting me
