Time Bomb

All Time Low

Whoa, oh, oh, whoa, oh, oh
Whoa, oh, oh, whoa, oh, ohFrom the get go I knew
This was hard to hold
Like a crash the whole thing
Spun out of controlOh, on a wire, we were dancing
Two kids no consequences
Pull the trigger, without thinking
There's only one way down this roadIt was like a time bomb, set it in motion
We knew that we were destined to explode
And if I have to pull you out of the wreckage
You know I'm never gonna let you goWe're like a time bomb
Gonna lose it, let's defuse it
Baby, we're like a time bomb but I need it
Wouldn't have it any other wayWell, there's no way
Out of this so let's stay in
Every storm that comes
Also comes to an endOh, resistance is useless
Just two kids, stupid and fearless
Like a bullet, shooting the love-sick
There's only one way down this roadIt was like a time bomb set it in motion
We knew that we were destined to explode
And if I have to pull you out of the wreckage
You know I'm never gonna let you goWe're like a time bomb
Gonna lose it, let's defuse it
Baby, we're like a time bomb but I need it
Wouldn't have it any other wayGot my heart in your hands
Like a time bomb ticking
It goes off, we start again
When it breaks, we fix itGot your heart in my hands
Like a time bomb ticking
We should know better
But we won't let goIt was like a time bomb set it in motion
We knew that we were destined to explode
(Destined to explode)And if I have to pull you out of the wreckage
You know I'm never gonna let you go
(I'm never gonna let you go)Like a time bomb
Gonna lose it, let's defuse it
Baby, we're like a time bomb but I need it
Wouldn't have it any other wayWhoa, oh, oh, whoa, oh, oh
