

Silence (Niels Van Gogh vs. Thomas Gold Remix)

Delerium

Give me release
Witness me
I am outside
Give me peace
Heaven holds a sense of wonder
And I wanted to believe that I'd get caught up
When the rage in me subsides In this white wave I am sinking
In this silence
In this white wave
In this silence I believe I have seen it, in this twilight, you're my silence
You know baby, in this twilight, I am free Passion
Chokes the flower
Until she cries no more
Possessing all the beauty
Hungry still for more Heaven holds a sense of wonder
And I wanted to believe that I'd get caught up
When the rage in me subsides In this white wave
I am sinking
In this silence
In this white wave
In this silence I believe I have seen it, in this twilight you're my silence
You know baby, in this twilight, I am free Passion
Chokes the flower
'Til she cries no more
Possessing all the beauty
Hungry still for more Heaven holds a sense of wonder
And I wanted to believe that I'd get caught up
When the rage in me subsides
