

Holiday/Boulevard Of Broken Dreams

Green Day

Hear the sound of the falling rain
Coming down like an Armageddon flame
The shame, the ones who died without a name
Hear the dogs howling out of key
To a hymn called, "Faith and Misery"
And bleed, the company lost the war today

I beg to dream and differ from the hollow lies
This is the dawning of the rest of our lives
On holiday

Hear the drum pounding out of time
Another protester has crossed the line
To find, the money's on the other side
Can I get another Amen?
(Amen!)
There's a flag wrapped around a score of men
A gag, a plastic bag on a monument

I beg to dream and differ from the hollow lies
This is the dawning of the rest of our lives
On holiday

The representative from California has the floor
Zieg Heil to the president gasman, bombs away is your punishment
Pulverize the Eiffel towers, who criticize your government
Bang, bang goes the broken glass land, kill all the fags that don't agree
Trials by fire setting fire, is that a way that's meant for me?
Just cause, just cause, because we're outlaws, yeah!

I beg to dream and differ from the hollow lies
This is the dawning of the rest of our lives
I beg to dream and differ from the hollow lies
This is the dawning of the rest of our lives
This is our lives on holiday

I walk a lonely road, the only one that I have ever known
Don't know where it goes, but it's home to me and I walk alone
I walk this empty street, on the boulevard of broken dreams

When the city sleeps, and I'm the only one and I walk alone

I walk alone, I walk alone

I walk alone, I walk a

My shadow's the only one that walks beside me

My shallow heart's the only thing that's beating

Sometimes I wish someone out there will find me

Till then I walk alone

I'm walking down the line, that divides me somewhere in my mind

On the border line of the edge, and where I walk alone

Read between the lines, what's fucked up and everything's alright

Check my vital signs and know I'm still alive

And I walk alone

I walk alone, I walk alone

I walk alone, I walk a

My shadow's the only one that walks beside me

My shallow heart's the only thing that's beating

Sometimes I wish someone out there will find me

Till then I walk alone

I walk alone, I walk a

I walk this empty street

On the boulevard of broken dreams

When the city sleeps

And I'm the only one and I walk a

My shadow's the only one that walks beside me

My shallow heart's the only thing that's beating

Sometimes I wish someone out there will find me

Till then I walk alone
