

Touching Home

[Jerry Lee Lewis](#)

Today I can feel it touching home
Today pain became a real life hurting thing
And the choir of loneliness sang me a song
Now I know just what it means to lose a lifetime dream
'Cause today, I can feel it touching home
No longer do I wonder, why men have lost their minds
Or wind up in a jungle of flashing neon signs
Now I know just how long a man can last when love is gone
'Cause today I can feel it touching home
No longer do I wonder, why men have lost their minds
Or wind up in a jungle of flashing neon signs
Now I know just how long a man can last when love is gone
'Cause today I can feel it touching home
'Cause today I can feel it touching home
Yes, I can baby
