

Hold On, Hold On (iTunes Originals Version)

Neko Case

The most tender place in my heart
Is for strangers
I know it's unkind
But my own blood is much too dangerous
Hanging round the ceiling half the time Hanging round the ceiling half the time Compared to some I've been
around
But I really tried so hard
That echo chorus lied to me
With it's hold on, hold on, hold on, hold on In the end I was the mean girl
Or somebody's in-between girl
Now it's the devil I love
And it's as funny as real love I leave the party at three AM
Alone thank God
With a valium from the bride
It's the devil I love
It's the devil I love
And it's as funny as real love
And that's as real as true love
