

Lover Man

Sarah Vaughan, Count Basie and His Orchestra

Aw
Yeah
I know you got somebody
Who thinks you're home tonight
You're lookin' for a good time
 Girl, I'll do you right
 Forget your other man
I wanna be your Lover Man
 Now don't go feelin' guilty
 How could this be wrong?
 Girl, you may not know it
But you're right where you belong
 Don't you understand?
 I wanna be your Lover Man
I'll give you what you ain't been given
The love you've gone without way too long
 Let's not waste another minute
Before the night is gone let's do and say we didn't
 'Cause this feeling's way too strong
 Girl, give me your hand
 I wanna be your Lover Man
 Oh, let's dance
I'll give you what you ain't been given
The love you've gone without for way too long
 Let's not waste another minute
Before the night is gone let's do and say we didn't
 'Cause this feeling's way too strong
 Girl, give me your hand
 I wanna be your Lover Man
 Forget your other man
 I wanna be your Lover Man
 Oh yes, I do
 You know you want that too
 Ooh, hoo, ooh
