

# Driven by You

## Queen

Oh, everything I do, I do for you, oh, oh yeah We touch and you're afraid of me and we burn and now I'm at  
your feet  
High speed but you know you're in safe hands  
In the dark, we make a brighter light from one spark to the horizon wide  
We trust and together we tame the land, yeah Ooh, you'd be forgiven if you think you're dreaming  
But we're working night and day to make a dream come true, yeah  
Everything I do is driven by you, oh, come on babe Oh well, it's tough to make a journey through  
The right stuff is dead ahead of you and me  
And you know we've still got time  
Hold on tight to the driving wheel, this ride is really out of line  
Raw deal but there's no other that's worth a dime You know I love you but you drive me crazy  
'Cause you're saying all the things I want to say to you  
You say, everything I do is driven by you Everything we do, everything we do  
Everything we do, everything we do  
Everything we do is driven by you Inner children lost their way  
Now they know the price you pay  
I'm holding on to life with you  
'Cause life without you just won't do Driven by you Oh, you know I'm never going to know who's dreaming  
But we're working night and day to make a dream come true, yeah  
Everything I do is driven by you Everything we do, everything we do  
Everything we do, everything we do  
Everything we do, everything we do  
Everything we do, everything we do  
Everything we do is driven by, driven by, driven by you Ooh, everything I do, oh, I do for you
