

# Thrill of the Chase

## Brooke Valentine

When we are together you never ever wanna leave  
And you don't know how insane you're making me  
I'm really feeling you but you don't understand  
I'm not sure if I can settle down with just one man  
I don't see any ring on this finger  
I don't hear any wedding bells so?[Chorus]  
Quit telling everyone in town  
You and I have settled down  
I love the thrill of the case  
You been following me around  
I know you really wanna settle down  
But I love the thrill of the chaseNow don't get me wrong, I think you're kinda fly  
But I am loving my space, I can't deny  
Girls just really wanna have same fun  
Living life being young and dumb  
I'm not a hoe but I've been around  
So if you can't handle then leave town  
I don't see any ring on this finger  
I don't hear any wedding bells so?[Chorus]I don't really wanna know how you feel inside  
I can do what I want, it's my life  
I won't lie so go ahead and cry[Chorus: x2]
