All In My Mind

Soul for Real

I must be wasting my time, baby, baby
Free is just a fool in my heart
(Just a fool in my heart)
(Feel the funk)
Never get a girl like youI guess, it's all in my mind
I must be wasting my timeWhat made me think that I'd ever get a?
(Ever get a girl like you)
It's just a fool in my heart
Should have known from the startWhat made me think that I'd ever get a girl like you?
Baby, I know that you and me
Could have had something special
I'm not sure what it means but it seems
That your mind's no more
And we could have had it all suga'Momma said, "I waste my time"
Time and time again I'm fine
That you were always on my mind
Now I guess, I've got to go
I didn't then but now I know whoWhere will we go from here, my dear?
I just don't know
'Cause you gotta way with me
'Cause my future was clear
Now I just cannot see
We could have had it all suga'Momma said, "Don't waste my time"
Time and time again I'm fine
That you were always on my mind
Now I guess, I got to go
I didn't then but now I know
