

I'm Only In It For The Love

[John Conlee](#)

There's something you got that really gets me going
It's hard to believe the way the feelings growing
Let me say before my heart starts showing
I'm only in it for the love
I want you to know you got my full attention
And every move is with my best intention
Before we go on I thought I ought to mention
I'm only in it for the love
I'm only in it for the love and affection
I think I'm heading in the right direction
Hence the question that I'm really asking
Is do you want a love that's everlasting
So many times I let my heart get broken
I close my eyes and left my heart wide open
Now I only deal in real emotions
I'm only in it for the love
I'm only in it for the love and affection
I think I'm heading in the right direction
Hence the question that I'm really asking
Is do you want a love that's everlasting
So many times I let my heart get broken
I close my eyes and left my heart wide open
Now I only deal in real emotions
I'm only in it for the love
I'm only in it for the love
I'm only in it for the love and affection
I think I'm heading in the right direction
Hence the question that I'm really asking
Is do you want a love that's everlasting
So many times I let my heart get broken
I close my eyes and left my heart wide open
Now I only deal in real emotions
I'm only in it for the love
I'm only in it for the love
