I've Got the World On a String

Steve Tyrell

I've got the world on a string
Sitting on a rainbow
Got the string around my finger
What a world, what a life, I'm in love
I've got a song that I sing
I can make the rain go
Any time I move my finger
Lucky me, can't you see, I'm in love
Life's is a beautiful thing
As long as I hold the string
I'd be a silly so-and-so
If I should ever let it go
I've got the world on a string
Sitting on a rainbow

Got the string around my finger
What a world, what a life, I'm in love
Life's is a beautiful thing
As long as I hold the string
I'd be a silly so-and-so
If I should ever let it go
I've got the world on a string
Sitting on a rainbow
Got the string around my finger
I'm walking around with my head in a clouds
And I'm feeling so good
I don't want to come down
And I'm shouting it out
I'm in love
