

Pretty Girl (The Way)

Sugarcult

Pretty girl is suffering, while he confesses everything
Pretty soon she'll figure out what his intentions were about
And that's what you get for falling again
You can never get him outta your head
And that's what you get for falling again
You can never get him outta your headIt's the way
That he makes you feel
It's the way
That he kisses you
It's the way
That he makes you fall in loveShe's beautiful as usual with bruises on her ego and
A killer instinct tells her to be aware of evil men
And that's what you get for falling again
You can never get him outta your head
And that's what you get for falling again
You can never get him outta your headIt's the way
That he makes you feel
It's the way
That he kisses you
It's the way
That he makes you fall in loveIt's the way
That he makes you feel
It's the way
That he kisses you
It's the way
That he makes you fall in love
LovePretty girl
Pretty girlPretty girl is suffering, while he confesses everything
Pretty soon she'll figure out
You can never get him outta your headIt's the way
That he makes you cry
It's the way
That he's in your mind
It's the way
That he makes you fall in loveIt's the way
That he makes you feel
It's the way
That he kisses you
It's the way

That he makes you fall in love
