

3 Grams (feat. Slim Thug & Yung Duece)

Mike Jones

Catch me on the one-way
Straight to the money; that's what I say
My girl lookin' like Beyonce
With a body that could model up the runway
I got everything you need
I got white, weed, lean
We could turn this to fun day
Catch me on the one-way
Straight to the money; that's what I say
My girl lookin' like Beyonce
With a body that could model up the runway
I got everything you need
I got white, weed, lean
We could turn this to fun day
Catch me on the one-way
Straight to the money; that's what I say
My girl lookin' like Beyonce
With a body that could model up the runway
I got everything you need
I got white, weed, lean
We could turn this to fun day
