

Anything Is Possible

Will Young

I never thought I could be feeling this way
Standing here in front of you this perfect day
It's hard to imagine where tomorrow will lead
I'll keep this moment in my heart for eternity

Even through the rain I kept my faith
The will to follow through
And I'll never lose my way again
And it's all because of you

I'm flying high like the wind
Reaching the impossible I'll never doubt again
I'm flying high (so high) 'cos your love's made me see
That anything is possible 'cos u believe in me

In a world full of strangers, you were my saving grace
You showed me I was not alone
Alone in this place,
No I never believed it that a dream could come true
But if anyone has changed my mind baby it's you

Even through the rain I kept my faith
The will to follow through
And I'll never lose my way again
And it's all because of you

I'm flying high like the wind
Reaching the impossible I'll never doubt again
I'm flying high 'cos your love's made me see
That anything is possible 'cos u believe in me

It's possible to spread my wings and reach into the sky
Believe that I could fly away when you're by my side

I'm flying high like the wind (yeah yeah)
Reaching the impossible I'll never doubt again
I'm flying high 'cos your love's made me see
That anything is possible when u believe in me
